Buyer Protection & Extended Warranty

Automatic Protection When You Use your Minnedosa Credit Union *MEMBER CARD*[®] Debit Card!

Ever get home after a day of shopping for that perfect birthday gift – dealing with long line ups and parking lots that go on forever – only to discover that something is damaged? Ever worry that – by some built-in quirk of fate – that expensive flat screen TV or refrigerator suddenly decides not to work, the week after the warranty expires?

Don't Worry... you're covered when you use your *Minnedosa Credit Union MEMBER CARD*[®] Debit Card to make a purchase. And best of all, there are no applications and **no extra cost!**

How does the program work?

It's simple. When you use your Minnedosa Credit Union *MEMBER CARD*[®] Debit Card for an *Interact* Direct Payment purchase, you're protected with the following benefits:

Buyer Protection

This coverage offers protection on the purchase of most retail items – and that includes gifts! For a full 120 days after the purchase, the item is protected if it's stolen, dropped and broken or even consumed in a fire. For example, if you're wrapping that new camera and it suddenly falls and breaks on the floor, you're protected! Valid claims will be satisfied either by replacing the stolen or damaged item, or by a cash payment in an amount not to exceed the amount of the total purchase price.

Extended Warranty

The Program doubles the warranty period of a purchased item up to two years, as long as the manufacturer's warranty is valid in Canada for five years or less. For example, when you purchase a DVD or Blu-ray player, the manufacturer would typically offer a one-year warranty. But if you use your Minnedosa Credit Union *MEMBER CARD*[®] Debit Card for the purchase, the player would be protected under the terms of the original warranty for an additional one year period.

Chequing Accounts are included,too!

Shopping at a merchant who doesn't offer *Interact* Direct Payment? No problem! You can make a purchase using a cheque drawn on your insured account and receive the same protection for your purchase.
